Dear Ms. Kiara,

Greetings from Institute of APEC Collaborative Education (IACE), Republic of Korea.

I am very happy to inform that The 9th e-ICON World Contest is to be held from August 18 to 24 in Busan, Republic of Korea.

As you might be well-aware of, e-ICON World Contest is a locus for high school students who are talented in developing a mobile application for educational purposes, having been held since 2011.

We are to invite **two (2) teams from Taiwan. one team consists of two (2) students and one (1) teacher.** Also, KMOE and IACE cover travel expenses and accommodation, meals during the event.

For more information, you are kindly advised to find the attachments. The target dates for nomination on the attached documents are overdue owing to interim circumstances, please note that **the real one is June 26 Wednesday.**

Of two teams, we would like to invite one team from the previously participating school, the other would be nominated by the Ministry of Education in Taiwan. I hope the invitation plan that we have does not mind you.

Should you have any further inquiries, please do not hesitate to let me know.

Thank you very much for your kind reply in advance. Wish you a pleasant weekend.

Sincerely Yours,

Myungsun Park
